This recall has been initiated due to bacterial contamination and foul smell in some bottles. We have not received any health complaints; however, use of this product is not recommended.

We began shipping this product on 7/26/2017.

Immediately examine your product and determine if your product is subject to recall. If you have further distributed this product to your customers, please identify your customers and notify them at once of this product recall. Please include a copy of this letter with your customer notification. If you still have any impacted products subject to recall, you may either: 1) return them to our facility or 2) destroy them by pouring down the drain and discarding empty bottles in the trash.

Please acknowledge your completion of one of these two actions as soon as possible by either calling us at 1-866-977-0888 or emailing us at [customerservice@vetionx.com](mailto:customerservice@vetionx.com) and placing "Arthro-Ionx Recall" in the email subject line.
